

NORTHWEST CONSTRUCTION CONSUMER COUNCIL

CALL FOR NWCCC 2018 DISTINGUISHED PROJECT AWARDS SUBMITTALS

The NWCCC Distinguished Project Awards program recognizes excellence in the engineering, design and construction of projects completed by Northwest Construction Consumer Council (NWCCC) members during the prior year.

AWARD CATEGORIES

The Distinguished Project Awards will be presented in the following categories during the NWCCC's 2018 Annual Conference "*Success Through Innovation and Technology*" on Tuesday, October 30th at the Lynnwood Convention Center.

- Private Projects Under \$10MM
- Public Projects Under \$10MM
- Private Projects Over \$10MM
- Public Projects Over \$10MM
- Green Project Award (for Innovation & Achievement in Sustainability)
- Patrick K. Lyneis Memorial Safety Excellence Award

The project that most exemplifies best practices and outcomes in sustainable design and construction will receive the Green Project Award.

The project entered and judged as having the best safety performance will receive the annual Patrick K. Lyneis Memorial Safety Excellence Award.

QUALIFYING PROJECTS

1. To qualify for submission, one of the project team's key members (Owner, Designer, or Contractor) must hold an active 2018 membership in NWCCC.
2. Entries must be complete and submitted by **5:00 PDT Friday, October 5, 2018**.
3. The project must have been substantially completed between September 1, 2017 and September 1, 2018.
4. Projects with poor safety performance will not be considered for awards.
5. An organization may submit multiple projects into the same award category.
6. All submitted projects will be considered for the Patrick K. Lyneis Memorial Safety Excellence Award. A project is eligible to win both the Safety and a category award.

CONFIDENTIALITY

Please do not include any information in your submittal that is confidential or that you would not want to be mentioned as part of the reason for winning an award. If you feel that there is confidential information that should be considered by the judges that you do not wish to be “published” in connection with the award, please submit such information under a separate cover clearly marked “confidential”.

SUBMITTING YOUR ENTRY

Applicants need to submit their entries via email to travis@nwccc.org by 5:00pm PDT on Friday, October 5th, 2018.

JUDGING

An impartial panel of industry professionals will conduct judging. The panel will include professional representatives from owners, design, construction, academia, and industry consultants. Any judge having a conflict of interest with a project submission will be excluded from scoring projects within that category.

WEIGHTED CRITERIA FOR EVALUATING ENTRIES

In your submission, please address each of the following criteria.

1. Safety – 20%

Report project safety statistics.

(Note: The project judged as having the best safety performance will receive the annual Patrick K. Lyneis Memorial Safety Excellence Award)

2. Goals and Objectives – 20%

Goals and objectives for the project: State how effectively these objectives were met and quantify results whenever possible.

3. Front-End Loading – 15%

Describe the project’s front-end loading approach; i.e. project scoping using the PDRI or similar process. Detail its successes.

4. Cost & Schedule – 15%

Cost and schedule challenges. Elaborate on project organization, contractual relationships, partnering, and team-building.

5. Identify Project Partners – 5% (Owner, designer(s), constructors, key consultants)

If appropriate, identify by name and function, key contributors to the success of the project (team members, vendor, subcontractors, etc.) and describe their contributions. Be specific.

6. Unique Features – 15%

Unique technical, design, material, or construction features of the project that distinguish it from other similar projects.

7. Judges’ Discretionary Category – 10%

Judge’s reserve this category to recognize project features not included in the criteria above.

INFORMATION REQUIREMENTS FOR PROJECT SUBMITTAL

The minimum requirements for submission are outlined below. Provide the information requested for all projects along with narrative within a maximum of 5 pages. Describe your project, its outcomes, and explain why you think it warrants consideration as a Distinguished Project. Your narrative should clearly address the judging criteria laid out above.
